Key Advantages

- **Shield** for your life to cover Death & Terminal Illness
- **Flexibility to pay** premiums throughout the policy term, or for a limited number of years, or till your retirement (Age 60)
- **Get back** your total premiums* paid as Maturity benefit¹
- **Extra payout** in case of death due to accident²
- **Choose** how your family receives the benefit in your absence, as a lump sum or a combination of lump sum & monthly income
- **Exit early** (after your need for cover is over) and get back your paid premiums* as Early Exit Value³
- **Premium Holiday** option which helps you skip your premiums for 1, 2 or 3 years during the premium payment term
- **Tax benefits** available on what you pay & what you or your family receive, as per extant Income Tax Act

¹Maturity Benefit is available with Life Shield ROP variant

²Accidental Death Benefit is available with Life Shield Plus variant

³Early Exit Value is available with Life Shield & Life Shield Plus variants

How does the Plan work?

Step 1: Choose your variant[^]

Variant	Benefits				
	Death Benefit	Terminal Illness	ADB	WOP on ATPD/ TI	Return Of Pre-miums
Life Shield	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Life Shield Plus	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Life Shield ROP	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

The acronyms used stand for: (i) TI – Terminal Illness (ii) ATPD – Accidental Total Permanent Disability (iii) WOP – Waiver of Premium (iv) ADB- Accidental Death Benefit

[^]The variant chosen at inception cannot be changed during the policy term.

Step 2: Choose your Sum Assured

Decide on the level of protection by choosing the sum assured you need to safeguard your family's future. In case if you have opted for Life Shield Plus Variant, you get to choose the ADB Sum Assured also, which is payable along with Death Benefit to your family in case of death due to accident.

Step 3: Choose your Death Benefit Payment option

Select how your family will receive the Death Benefit in your absence –

- A one-time lump sum, or
- Partly as Lump sum & partly as monthly income for 60 months

Step 4: Choose your Policy Term and the Premium Payment Term (as applicable)

Select the period for which you want to get life insurance protection and the period for which you want to pay the premium.

Step 5: Choose your Premium Payment Frequency

Depending on your convenience you can decide the interval at which you would prefer to pay the premium during the premium payment term.

Your premium will be based on your current age, gender, sum assured, variant, death benefit payout option, policy term, premium payment term & frequency, discounts applicable etc.

Key Benefits explained

Variant: Life Shield

- Death Benefit** (Benefit payable on death of the Life Assured during the policy term)
Your nominee/legal heir will receive the Sum Assured (as chosen by you at inception). The policy will terminate on death.
- Terminal Illness Benefit** (Benefit payable in case the Life Assured is diagnosed with Terminal Illness during the policy term)
 - If the Sum Assured chosen is lesser than or equal to ₹2 crores**, We will pay the Sum Assured (as chosen at inception) and the policy will terminate
Or,
 - If the Sum Assured chosen is greater than ₹2 crores**, we will pay ₹2 crores and the policy will continue with the balance Sum Assured, i.e. (Sum Assured less 2 crores). This balance Sum Assured will be payable on death of the Life Assured, and the policy will terminate on death of Life Assured.
Note: The sum assured will include any Life-Stage Upgrade sum assured under the policy. Terminal Illness Benefit is not an additional Benefit. It is an acceleration of Death Benefit and is included in the Sum Assured on Death.
- WOP Benefit on ATPD/TI**
We will waive off any future premiums under the policy
 - If the Life Assured is diagnosed with Accidental Total Permanent Disability (ATPD), the policy will continue for existing Death benefit & Terminal Illness Benefit.
Or,
 - If the Life Assured is diagnosed with Terminal Illness (TI) & chosen Sum Assured is greater than Rs 2 crores, the policy will continue for remaining Death Benefit

Other Features available with Bajaj Allianz Life eTouch

Early Exit Value (Available with Life Shield & Life Shield Plus variant only)

You will have an option to exit from the policy before its maturity & get back all the premiums you have paid, if all premiums due under the policy are paid up-to-date.

In case you decide to exercise this option you will receive Early Exit Value or Surrender Value (as applicable) as a one-time lump-sum and the policy will terminate with no further benefits payable. No extra premiums need to be paid to avail this option.

Either Early Exit Value or Surrender Value (as applicable) can be taken in the Policy. On taking one, the other will not be available.

Bajaj Allianz Life eTouch

A Non-Linked, Non-Participating, Individual Life Insurance Term Plan

Early Exit Value= 100% of the total premiums* paid till the date of exercising the option.

The option to exercise Early Exit will be available during the three (3) policy years immediately after you attain Age 60.

Exclusions

Early Exit Value will be available only if –

- The policy meets the below conditions:
 - a) Age at entry is less than or equal to 50 years;
 - b) Policy term is 35 years or more;
 - c) Age at maturity is 68 years or more
- Any prior claim has not been made under the policy
- Life Stage Upgrade Sum Assured has not been taken in the policy

Life Stage Upgrade (Available with Life Shield & Life Shield Plus variant)

Certain important events in life often call for an upgrade in one's needs & responsibilities. Bajaj Allianz Life eTouch offers you an option to increase the Sum Assured during such key stages of your life.

Under Life Shield and Life Shield Plus, before attained age of 45 years, the policyholder will have the option to increase the original Sum Assured under the policy, on occurrence of the specific Life-Stage events mentioned below. The ADB sum assured will also increase in the same proportion to the base sum assured for Life Shield Plus variant. The maturity date of the policy shall remain same as that of Base Cover.

Event	Maximum % increase in Sum Assured	Maximum Sum Assured increase allowed
Marriage	50%	₹50 lakh
Birth/Adoption of 1st child	25%	₹25 lakh
Birth/Adoption of 2nd child	25%	₹25 lakh
Home loan	25%	₹50 lakh
Education Loan for Child(ren)	25%	₹25 lakh

The Life Stage Upgrade can be exercised within six (6) months of occurrence of the Life stage event, and the increase in Sum Assured will be effective from the next policy anniversary onwards, provided the policy is in-force & all due premiums under the policy are paid.

Due to the increase in Sum Assured, additional premium will be payable & this would depend on the age at the time of Upgrade, remaining policy term, remaining premium payment term, Life-Stage sum assured taken & smoker category. Once a Life Stage Upgrade has been done, the total sum assured under the policy cannot be subsequently decreased during the policy term.

Other conditions for Life Stage Upgrade:

- There should have been no claims availed under the policy at any time before the Life-Stage Upgrade is requested
- The Upgrade will be allowed provided the outstanding Policy Term and Premium Payment Term in the policy, at the time of Upgrade, are allowed in the product then. The outstanding Premium Payment Term at the time of Upgrade has to be at least five (5) years and outstanding policy term to be at least ten (10) years
- You will have to provide the documents as requested by the company to avail this Life Stage Upgrade
- You can avail multiple Life Stage Upgrades, however the total increase in Sum Assured will be capped to 100% of the original Sum Assured.
For example, if the Sum Assured chosen at inception is ₹1 crore, the maximum Sum Assured that can be taken as Life Stage Upgrade is ₹1 crore.
- For Life Shield Plus Variant, No Upgrade will be allowed which will lead to the total ADB sum assured crossing the maximum ADB sum assured (respectively) under the product then.
For example, if Sum Assured chosen at inception is ₹1.75 crore & ADB Sum Assured is 100% of base Sum Assured, then the maximum Sum Assured that can be taken as Life Stage Upgrade will be ₹25 lakh. (Since the maximum ADB Sum Assured in the product is ₹2 crore)
- Underwriting as per Board Approved Underwriting Policy shall be done at the time of opting for Life Stage Upgrade

Premium Holiday (Available with all the three variants)

Bajaj Allianz Life eTouch offers a Premium Holiday option – where, provided all premiums are paid up-to-date, you can skip paying premiums for 1, 2 or 3 years during the policy term (as per your choice). This can help you during a financial emergency like job loss, pay-cuts or sudden medical expenditure etc, when you can continue your policy without paying premiums for the year & keep your life cover intact.

During the Premium Holiday period, the policy will remain in-force with all applicable benefits, without the need of paying premiums.

You can select the number of Premium Holidays at inception. The first Premium Holiday will be available after completion of five (5) policy years. If you have selected premium holiday for more than one year, then, the next premium holiday can be opted after a period of five (5) policy years after the previous premium holiday year.

Other conditions for Premium Holiday:

- Premium Holidays will be available only if you have selected a Policy term and premium payment term of 20 years or more
- The duration of one premium holiday shall be a period of 12 policy months. The premium waived shall be the total premium payable during that year
- If the premium holidays chosen under the policy is more than one-year, then, the next premium holiday can be opted only after a period of five (5) policy years after the previous premium holiday year, provided the policy is in-force and all premiums are paid up-to-date then.
- You need to inform the company about your intention to exercise the premium holiday within the grace period.
- If the policyholder discontinues due-premium payment immediately after a premium holiday year, the revival period will be considered to start from the date of premium-due after premium holiday period is over.
- The premiums not received during the premium holiday will not be part of the Total Premium paid calculation.
- If any premium holiday benefit is opted and then not exercised voluntarily through-out the policy term, then, the company will waive the last one or two or three policy year premiums, depending on number of un-utilized premium holidays.
- The Life Stage Upgrade feature shall not be available if premium holiday has been opted in the policy.

Death Benefit Payment option

At inception, you will have the option to choose how your nominee will receive the Death Benefit in any of the 2 ways mentioned below:

- a) 100% of the benefit in a lump-sum,
- b) X% of the benefit in a lump-sum and the remaining as monthly income, where, X%= 10% to 90%

- The choice and the percentage have to be chosen at inception of the policy itself.
- The instalments will be paid for a fixed period of 60 months. The first monthly instalment will be due as on the date of death of the life assured.

Note:

- i. Even after the instalments have commenced, the nominee will have the option to convert all future monthly instalments into a lump-sum, which will be calculated as the present value of future instalments at a discounted rate of the 5-yr G-Sec yield plus 50 bps p.a.
- ii. The TI Benefit & ADB Sum Assured will be paid as lump-sum only

Health Management Services (Available with all the variants)

Provided the policy is in-force and all premiums are paid up-to-date, the policyholder will have the option to take Health Management Services such as medical second opinion, medical case management, medical consultation, etc. from the service providers registered with the company. These wellness services can help the life assured to get correct diagnosis of a medical condition and to procure appropriate illness care.

These services are available subject to:

Bajaj Allianz Life eTouch

A Non-Linked, Non-Participating, Individual Life Insurance Term Plan

- a) The availability of the particular service with the service providers then.
- b) First diagnosis and opinion have already been obtained from a competent medical practitioner
- c) All the supporting medical records (as required by the service provider) are available to avail of the service.

Please note that:

- i. These services are optional services offered at no additional cost to the policyholder/life assured. The policyholder/life assured should exercise his/her own discretion:
 - To avail the services and/or
 - To follow the course of treatment suggested by the service provider.
- ii. These services shall be directly provided by the service providers with no participation of the company.
- iii. The services are being provided by third-party service provider/s, and the company shall not be liable for any liability.
- iv. The company reserve the right to commence/discontinue the service/s or change the service provider/s at any time.
- v. The Company will communicate to the Policyholder and inform the IRDAI if & when the Health Management Services feature is discontinued/changed in the product.

Option to Change Premium Payment Frequency

You will have the option to change the prevailing premium payment frequency at any policy anniversary, during the policy term, subject to the availability, then, of the premium payment frequency and the minimum premium allowed under the product then.

The modal premium for frequencies other than yearly premium frequency is arrived at by multiplying the annual premium (after applicable HSAR) by the premium payment frequency factors as given below:

Premium frequency	Monthly	Quarterly	Half yearly	Yearly
Frequency Factor	0.0875	0.26	0.51	1.00

High Sum Assured Rebate (HSAR)

HSAR on premium will be offered to all policies with Sum Assured 1 crore and above.

Preferential Premium rates

Preferential Premium rates will be offered to non-tobacco users & to women, and premium discount will be offered for policies sourced through online mode.

Premium Rebates/Discounts (Applicable for all 3 variants)

Loyalty Rebate (For existing Bajaj Allianz Life Insurance Company Individual customers)

The Loyalty rebate will be available to all individual policyholders of the company, who have matured policies or whose policy is in-force for at least three (3) months at the time of taking this policy.

The rebate is 1% of premium, through-out the premium paying term.

Auto-pay Rebate

An auto-pay rebate will be available for all policies where premium payment is under auto-debit process (as allowed by RBI from time-to-time). The rebate is 1% of premium, through-out the premium paying term.

Bajaj Allianz Life eTouch

A Non-Linked, Non-Participating, Individual Life Insurance Term Plan

One-time discount - Salary Rebate

A salary rebate of 5% of the first-year premium will be available for policyholders who are Salaried employees.

Insurance for All Discount (For policyholders who are 'first time buyers' of life insurance policy)

If the policy being purchased is the first individual life insurance policy on the life of the LA, then an Insurance for All Discount of 5% will be applied on the first-year premium.

Maturity Benefit in Instalments (under Variant 3)

At the Policy Commencement Date, the policyholder will have the option to take the Maturity Benefit in instalments. If opted for,

- (i) At Maturity, the Maturity Benefit payable shall be paid out in yearly instalments over the next five (5) years.
- (ii) The amount of each instalment will be [Maturity Benefit/5] hiked up by 20% and will be paid out yearly, starting from the date of maturity.

Unexpired Risk Premium Value / Surrender Value

For Life Shield and Life Shield Plus variant:

- a) Surrender Value is payable only if the Premium Payment Term (PPT) is limited premium. Under Regular Premium payment option, no surrender value shall be available.
- b) You can surrender the Policy at any time.
 - i) For Limited Premium payment option during PPT - No surrender value shall be payable
 - ii) For Limited Premium payment option after PPT - Surrender value is available and such surrender value payable shall be higher of Guaranteed Surrender Value (GSV) or Special Surrender Value (SSV)

For Life Shield ROP variant:

- a) Surrender Value is payable under the Policy, only if first two (2) full years' premiums have been paid.
- b) Surrender value payable shall be higher of Guaranteed Surrender Value (GSV) or Special Surrender Value (SSV)

Note: (for all the variants)

- a) SSV is not guaranteed and the company shall have the right to revise the SSV Factors from time to time, subject to prior IRDAI approval.
- b) The surrender value payable shall not be less than Early Exit Value available under the policy.
- c) The policy will terminate on the date of surrender
- d) If the TI Benefit has been paid and the Policy is continuing for Remaining Death Benefit, then, the Surrender Value will be proportionally reduced for the benefit paid by a specific factor.

Tax Benefits

Premium paid, Terminal Illness Benefit, Maturity Benefit, Early Exit Value and Death Benefit may be eligible for tax benefits as per extant Income Tax Act, subject to the provision stated therein and as amended from time to time. You are requested to consult your tax consultant and obtain independent advice for eligibility and before claiming any benefit under the policy.

Terms & Conditions

Free Look Period

You have a free look period of fifteen (15) days from the date of receipt of the Policy Document and a period of thirty (30) days in case of electronic Policy and Policy obtained through distance mode, to review the terms and conditions of the Policy and where you disagree to any of those terms & conditions, you have the option to return the Policy to the insurer for cancellation, stating the reasons for your objection, then, you shall be entitled to a refund of all the Premiums (excluding applicable taxes) paid, subject only to a deduction of a proportionate risk premium for the period of cover and the expenses incurred by the Company on medical examination of the Life Assured and stamp duty charges.

Grace Period

If you have failed to make payment of the premium by the due date specified, you will be allowed a grace period of thirty (30) days for premium payment frequencies other than monthly and fifteen (15) days for monthly frequency to pay the due premium.

During the grace period, the life assured will be covered for the contingent events & on occurrence of the contingent events during the grace period when the due premium up to the date of the contingent event was not paid, the same will be deducted from the benefit payable.

Non-Payment of Premiums

Life Shield Variant & Life Shield Plus Variant

If you have not paid any due premium before the expiry of the grace period, then, your policy will lapse at the expiry of the grace period, and no benefit under the policy will be paid.

Life Shield ROP Variant

• If you have not paid first two (2) full years' premiums, then policy will, immediately & automatically, lapse at the expiry of the grace period, and no benefit under the policy will be paid.

• If you have paid first two (2) full years' premiums and subsequent premiums have not been paid, then, your policy will be, immediately & automatically, converted to a paid-up policy at the expiry of the grace period.

o The paid-up sum assured, paid-up sum assured on death and paid-up sum assured on TI are obtained by multiplying the sum assured, sum assured on death and sum assured on TI, respectively, by a corresponding factor equal to the proportion of the number of premiums paid to the total number of premiums payable under the policy; and the paid-up sum assured on maturity will be based on the total of all premiums paid till date of paid-up.

o There is no paid-up value available with respect to WOP benefit.

You will have the option to revive the lapsed/paid-up policy as per the revival conditions under the policy.

Revival

If your policy is lapsed or converted to a paid-up policy due to non-payment of premiums after the grace period, you may revive the policy subject to the following conditions:

- a) A written application for revival is made within five (5) years from the due date of the first unpaid premium
- b) All the due premiums together with applicable interest, at such rate as decided by the Company from time to time, along with applicable taxes are paid. The current applicable revival interest is 10% p.a. compounded half-yearly.
- c) You, at your own expense, agree to undergo medical examination and provide evidence of continuity of insurability.
- d) The Company may revive or refuse to revive the policy, based on the Board approved underwriting guidelines. The revival will take effect only on it being specifically communicated to you by the Company
- e) On revival, you are entitled to receive all contractual benefits

Note: The revival interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The revival interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Exclusions

Suicide Exclusion

In case of death of the life assured due to suicide, within 12 months from the date of commencement of risk or the date of latest revival of the policy, whichever is later, the nominee or beneficiary of the policyholder shall be entitled to receive higher of 80% of the total premiums paid or the Surrender Value as on the date of death, provided the policy is in force.

Accidental Death Benefit:

The accidental death benefit will not be payable in the following situations:

- 1) Death occurs as a result of the insured person committing any breach of law with criminal intent
- 2) Death as a consequence of the insured person being under the influence of alcohol or drugs other than in accordance with the directions of a registered medical practitioner.

Definitions

1) Sum Assured on Death: is defined as higher of

- a) 10 times Annualized Premium[#]
- b) 105% of total premiums paid[#] till date of death
- c) Sum Assured

plus total Life-Stage sum assured.

[#]Annualized Premium is the total premium/s payable in a policy year. The annualized premium is exclusive of taxes, extra premium and loadings for modal premiums, if any. Total Premiums paid shall be the total of all premiums received, exclusive of taxes, extra premium, loadings for modal premiums, if any. Please note that GST and cess, if any, will be collected over and above the premium under the policy.

2) Terminal Illness: "Terminal Illness means a disease with which the Life Assured is diagnosed with and in the opinion of a Medical Practitioner and Our appointed Medical Practitioner is likely to lead to the death of the Life Assured within six (6) months from the date of such certification by the Medical Practitioner "

Medical Practitioner:

A medical practitioner is a person who holds a valid registration from the medical council of any state of India or Medical Council of India or Council for Indian Medicine and is thereby entitled to practice medicine within its jurisdiction; and is acting within the scope and jurisdiction of his license. This would mean a practitioner treating the Life Insured must be holding a degree equivalent to MD or MS in the relevant field to certify the medical condition.

The Medical practitioner should not be
